THZ183EU | Versavu™ Rotating Case for iPad® mini

A unique case with 360º rotating stand for watching movies, playing games or reading hands-free. The multi-position stand allows you to choose your own favourite viewing position, either landscape or portrait and the rear tab creates a comfortable position for typing. The soft lined interior helps prevent scratches whilst the durable exterior offers full protection to the front, back and sides of your iPad® mini. This multi-function case is designed so that you can make the most out of your iPad® mini!
